**MASTER INSTRUCTOR
FRED SOTO PH.D.**

Did you know that many of the industry's leading martial arts consultants do *NOT* own and operate a successful school!

Some of them have filed bankruptcy and are still selling advice to unsuspecting school owners!!

How can they help YOU succeed when they don't personally face the same day-to-day challenges that you do?

Don't settle for less. Get the book that guarantees your potential to succeed!
